Post-Surgery Ankle
and Foot Braces

Post-Surgery Ankle and Foot Braces

The Steeper Orthotic Essentials range of Post-Surgery Ankle and Foot Braces offer clinicians exceptional value for money along with the assurance of a high quality product that is readily available within a short lead-time.

All three of the following post-surgery shoes offer significant savings, with discounts of over 70%. To take advantage of these great offers today, please place your order through our Customer Services team at orthoticenquiries@steepergroup.com or contact them on 0845 6000 330.

Easy fitting

Designed with simplicity in mind, the three post surgery ankle and foot braces can be fitted using this simple three step process.

1. Place affected foot inside the boot ensuring the heel is in position.
2. Wrap the straps over the shoe onto opposite side and attach straps onto hook portion of the shoe.
3. Straps should be pulled gently for a comfortable fit.
