

Steeper

MPK Package only £12,495

Steeper MPK Package

Included within the MPK package from Steeper is a Plié 3 full limb build with a choice of adapters, designer fairings, selection of six foot options and a five year warranty. **All for only £12,495.**

Plié 3 knee

The Plié 3 knee is still the fastest MPC knee, responding 10 to 20 times more rapidly than other MPC knees.

Adapters

With a choice of two sets of adapters, the Plié 3 MPK package provides flexibility to the clinician by offering a variety of build options.

Designer fairings

The Plié 3 designer fairings protect the frame and bring the user's own style to the knee. With a variety of colours and designs to choose from, customising the Plié 3 has never been easier. For a full list of colours please consult the Plié 3 brochure.

Foot options

Included within the MPK package from Steeper is a choice of foot: including the Kinterra, Sierra, Highlander, Maverick Xtreme, Maverick Xtreme AT and the Maverick Comfort AT. All six feet are designed to help the user retain an active lifestyle, by providing a smooth and efficient gait with stability and excellent energy return.

Kinterra

Combining hydraulics and carbon fibre technology, the Kinterra provides the user with rock solid stability.

Sierra

The unique angle-top design increases the length of the carbon fibre spring maximising flexibility.

Highlander

The Highlander provides active patients with an efficient and smooth gait with excellent energy return.

Maverick Xtreme

A solid keel version that provides extreme durability and flexibility. The full length, unbolted sole plate ensures seamless stance phase roll-over.

Maverick Xtreme AT

Benefiting from all the features of the Xtreme but with a $\pm 16^\circ$ inversion/eversion split keel design providing excellent stability on uneven terrains.

Maverick Comfort AT

With a low foot profile combined with a split keel, the Comfort AT offers high energy storage/return and a $\pm 16^\circ$ inversion/eversion split keel design for ample ground compliance.

For more information on the MPK package, including part codes for ordering, please consult the Plié 3 brochure, or contact customer services on customerservices@steepergroup.com or call 0113 270 4841.
