## Prosthetist - Bournemouth

The Steeper Group is a privately-owned business that was formed almost 100 years ago. Since then we have expanded across prosthetics, orthotics and assistive technology – with a focus on creating significant turning points in individuals' lives through exceptional clinical services and award-winning products.

We are a true leader in our market. From humble beginnings, we have grown to become one of the UK's largest suppliers of Orthotic, Prosthetic and Assistive Technology products. Uniquely, we combine age-old craft skills with the latest innovations in manufacturing and materials.

**Steeper's vision is to create life's turning points, together. We aim to do this with innovative prosthetic, orthotic and assistive technology products and services.**

An exciting opportunity has arisen to join our energetic team at the Dorset Prosthetic Centre, based within the Royal Bournemouth Hospital. Situated on the beautiful South Coast, Bournemouth is close to areas of outstanding natural beauty including; the Purbecks, Jurassic Coast and the New Forest. As well as 7 miles of blue flag award winning beaches, Bournemouth boasts a vast range of leisure activities and with the regeneration of the town centre, it has a lively atmosphere with a large choice of restaurants, shops and entertainment.

The Dorset Prosthetic Centre offers good clinical variety with a broad range of amputees, including complex multiple limb loss, veterans, paediatrics and upper limb. As an integral part of Royal Bournemouth Hospital, the centre has excellent links with other specialities onsite and across the Wessex region, including; vascular, orthopaedic, diabetic, rheumatology, trauma and plastics.

The successful applicant will join a friendly, passionate, patient focussed MDT consisting of a rehabilitation consultant, specialist therapists, nurse, counsellor, podiatrist and orthotist, as well as a team of skilled technicians in our onsite workshop.

All team members take equal responsibility for effective and efficient service and contribute to service development including education and clinical audit. The successful applicant should be able to work independently as well as within a team, be motivated and friendly with excellent communication and interpersonal skills. Further training, research and ongoing education will be supported and encouraged.

This position will provide a nurturing and supportive environment to optimise clinical development for an enthusiastic prosthetist, within a forward thinking friendly team. All levels of experience will be considered for the post.

If you feel you have the necessary attributes to be considered for the above position, to apply, please complete an application form or submit your CV. Application forms can be obtained by emailing the HR team on (hr@steepergroup.com). Alternatively visit [www.rslsteeper.com/careers](http://www.rslsteeper.com/careers) and download an application form from the website.

**The closing date for applications is 21<sup>st</sup> July 2017**

Steeper is committed to valuing diversity and treating everyone who works for or wishes to work for us fairly. We will treat everyone with the same attention, courtesy and respect, regardless of age, impairment, ethnic origin, nationality, religion or belief, social class, sex, sexual orientation, gender reassignment, marital or civil partnership status, responsibility for dependents, pregnancy and maternity or trade union activity. Steeper is committed to act positively towards disabled people and we actively welcome applications from disabled people.
