

Combined Service Technician

The Steeper Group is a privately-owned business that was formed almost 100 years ago. Since then we have expanded across prosthetics, orthotics and assistive technology – with a focus on creating significant turning points in individuals' lives through exceptional clinical services and award-winning products.

We are a true leader in our market. From humble beginnings, we have grown to become one of the UK's largest suppliers of Orthotic, Prosthetic and Assistive Technology products. Uniquely, we combine age-old craft skills with the latest innovations in manufacturing and materials.

Steeper's vision is to create life's turning points, together. We aim to do this with innovative prosthetic, orthotic and assistive technology products and services.

We currently have a vacancy for a motivated team player to join our company as a Combined Service Technician working within our prosthetics department in Harold Wood.

The successful candidate will manufacture and repair Prosthesis to a high standard and to the specification laid down by the prosthetist. They will also provide a face to face wheelchair emergency walk in triage and repair service.

Duties/ Responsibilities:

In this role you will undertake repairs and modifications to prosthetic sockets laid down by the prosthetist and component manufacturer and provide face to face contact with Wheelchair emergency walk ins to fix and or liaise with DGT to ensure optimal actions are taken to repair the wheelchair

In addition, you will:

- Manage Wheelchair stock to enable basic repairs to be made on site.
- To ensure that all stock is correctly booked out to a relevant job sheet, promptly and legibly.
- To abide by the Company's health and safety policy while working in the workshop, ensuring your own safety and that of your colleagues.
- To work with the prosthetists in ensuring that you are up to date with new prosthetic componentry and manufacturing techniques.
- To give advice and guidance on the technical aspects of prosthetics to new and junior members of staff.
- To help train other members of staff in your area of expertise as required by your branch manager or workshop co-ordinator
- To ensure that all limbs are ready for fitting and delivery within the contract dates used at your centre.

If you feel you have the necessary attributes to be considered for the above position, to apply, please complete an application form or submit your CV.

Application forms can be obtained by emailing the HR team on (hr@steepergroup.com). Alternatively visit www.rslsteeper.com/careers and download an application form from the website.
