

Silicone Technician

We currently have a vacancy for a motivated team player to join our company as a Silicone Technician working within our London prosthetics Clinic in Kingston.

At our London Prosthetic Centre, our service includes the option of custom high definition silicone cosmeses for upper and lower limbs. Our custom made, lifelike silicone cosmeses are created to bespoke specifications by our highly skilled technicians on-site. Careful assessment of the skin's colour and texture is carried out for each client to ensure the perfect match.

Even skin pigmentation, freckles, veins, hair and tattoos can be incorporated to give an authentic and personalised finish, whilst our unique electronic colour matching process delivers a near perfect match to individual skin shades.

Duties/ Responsibilities

The successful candidate will have an eye for sculpting and experience in silicone sculpting. You will undertake the manufacture of silicone, cosmetic prosthesis and associated products in accordance with the specification laid down by the prosthetist and component manufacturer.

You will hand make silicone cosmeses from start to finish, adding fine details and making the silicone lifelike and ensuring that they are ready for fitting and delivery.

If you feel you have the necessary attributes to be considered for the above position, to apply, please complete an application form. You will also need a supporting letter from your current line manager.

Application forms can be obtained by emailing the HR team on (hr@steepergroup.com). Alternatively visit www.rslsteeper.com/careers and download an application form from the website.
